Meaning: to kill sb

The table below shows the verb "عَمِيتُ" (عَمِيت) in various tenses, voices, and moods in Arabic, along with the corresponding meanings in English. The table is structured to show the conjugation patterns for different grammatical cases and persons.

Credit for the format of this table goes to The Institute of The Language of The Quran. Visit http://www.lqtoronto.com for one of the best Arabic courses available as video lectures and books completely free of charge. Verb conjugations are taken from the excellent online resource http://acon.baykal.be/index.php. I also made use of "A Dictionary of Arabic Verb Conjugation" by Dr. George M. A-M.
